Please advise us of any dietary restrictions such as gluten free and we will be happy to make accommodations for you.

We enjoy a restaurant that operates for the enjoyment of our members three nights per week. Because of that, your meals will be off our menu at a discounted rate because we are so glad you are here with us this weekend. Our staff is volunteer with the exception of the cook and we work him to death! The breakfasts and lunches will be hosted by our local Emblem ladies and as the form says, Sunday is on us. Feel free to spread your wings in the downtown area and I assure you that cars will stop to let you cross the street instead of swerving to hit you! Please enjoy our hospitality as well as our town and if we can make your stay with us more enjoyable let us know.
